

Dear Xzito Hiring Manager,

I'm extremely interested in the Front End Developer position that it you're hiring for in Johnston. I have uploaded my resume along with this cover letter for your consideration.

For the past 18 years I've developed a wide range of web sites and web applications by working closely with teams large and small and customers to deliver the best possible user experience while adhering to budgets, timelines, and project goals. Customer satisfaction and their repeat business is just as important to me as beautiful, well-executed design.

I am enthusiastic, self-motivated, hard working, extremely detail oriented and believe I have the skills and experience necessary to be highly effective in this position and a valuable asset to your team.

Upon reviewing your site it looks like you've done some excellent work and I'd be honored to be a part of the great things to come in Xzito's future.

Thank you for considering my application for this position. I would appreciate the opportunity to meet with you to discuss this position and what I have to offer further. Please contact me at your earliest convenience. I look forward to your response.

Sincerely,

SARAH BERRY
